The rent shall abate until the Landlord provides possession of the Rental Unit to the Tenant. 2. 00 LEASE VOID WITHOUT COMPLIANCE

Failure by the Tenant to pay the Landlord these sums prior to the commencement of the tenancy shall, at the Landlord's sole and exclusive option and notwithstanding clause 4 of the Standard Lease Form, make the entire Tenancy Agreement null and void, negating any rights of occupancy that the Tenant(s) would otherwise have had. If such were to occur, all funds held on deposit shall be retained by the Landlord to be applied as rent towards the last month of the tenancy, and the Landlord has the right under law to commence an action for any further damages in a Court of competent jurisdiction, to compensate the Landlord for its costs in advertising and re-renting the unit, and for loss of income during the time the unit remains empty prior to the commencement of a replacement tenancy.

2. 02 Notwithstanding clause 4 of the Standard Form of Lease, and at the Landlord's sole option, the Tenant(s) is not entitled to occupy the Leased Premises until such time as the responsibility for payment of utilities for which the Tenant(s) is obligated to pay under this Agreement have been transferred directly to the Tenant's name. Failure by the Tenant to transfer and accept responsibility as set out in this Agreement prior to the commencement of the tenancy shall, at the Landlord's sole option, make the entire Tenancy Agreement null and void, negating any rights of occupancy that the Tenant(s) would otherwise have had, and the Landlord will retain the right to bring an action for any and all damages which may be allowed in law in any Court of competent jurisdiction.

12. 06 Upon the Landlord recovering possession of the Rental Unit by the Tenant(s) vacating in accordance with a notice or agreement to end the tenancy, then the Landlord shall have no obligation or liability for the Tenant’s possessions after the Tenant vacates the Residential Complex, regardless of whether the Tenant returns the key(s) to the Landlord. It is specifically understood that the Landlord’s janitors, caretakers, Realtors, superintendents, and rental agents are not authorized agents for the purpose of amending any provision of this Agreement.

13. 02 Should any provision of this Agreement be or become invalid, void, illegal or not enforceable, it shall be considered to be separate and severable from the remaining portion of the lease and the remaining provisions shall remain in force and be binding upon the parties hereto as though such provisions had not been included.

Landlord	Tenant

15. 02 If the rental unit is vacant, the Landlord has a reasonable belief that the unit has been abandoned and there are arrears of rent owing, notwithstanding the existence of a last month's rent deposit, it shall be presumed that the Tenant has abandoned the Rental Unit and the Landlord shall be entitled to regain immediate possession of the rental unit.
